from <https://www.zdnet.com/article/two-weeks-with-the-sony-xperia-xz3-gorgeous-design-with-a-misplaced-fingerprint-scanner/#ftag=RSSbaffb68>.

The device is gorgeous and works well, but the price is also a bit high when compared to other flagships.. Sony seems to have nearly reached perfection with the Xperia XZ3 design, except for the placement of the rear fingerprint scanner.
